I am pleased to report that our Sundowner/Fundraiser was a huge success. It was a real team effort with all our committee members as well as other volunteer members including Lewis, Sabi and Rohit delivering a thoroughly professional and expertly executed catering service. Also a special thank you to Tonina Khamis a friend of committee members (Lazar and Branka) for inviting 15 of her friends to help us celebrate. Only positive feedback and laughter were heard from our guests. The raffle draw was hilarious and an excellent conclusion to an enjoyable event. Already the committee are planning our next event for 2023. 😊

Congratulations to all those that attended our Sundowner and generously contributed donations and in kind, thus helping the Society achieve our fundraising target of \$2000. We can now go into 2023 with confidence that the work of the BHS will continue for another year. See photo's next page.

Leighton (Halliday House) will re-open on Sunday 26 Feb. 2023

Wishing all our members and friends all the best for the coming festive season and New Year.
